1.12 LATE PLAYER - During the regular season, prior to the start of the second half of a match a late player may be permitted to make up all games missed in the first half. Once the second half has begun, a late player may only make up a game in a quarter not yet completed. Any games that were due to play in a quarter all ready completed will be forfeited.

1.13 SUBSTITUTION OF PLAYERS - No more than 3 player substitutions may be made per match, per team. If a player substitution is made, the substituting player must play the remainder of the match in that player position. The outgoing player may not be a substitute for someone else on the same team. Substitution of a player is not permitted during a game in progress.

1.16 DISPUTES - Should a dispute occur during a match, it should be resolved by both team captains. All players must honor an opposing team captain's request that play be halted while he/she checks or verifies any rule in question. Failure to honor such a request constitutes unsportsmanlike conduct and possible loss of game. **Disputes not resolved by the team captains will be referred to the Vice President for disposition.** Any game in dispute should be completed and the legend "disputed game" placed alongside the game results on the score sheet. A description of the reasons for the dispute should be written on the back of the original score sheet (top copy).
