**Captains please be sure when adding or dropping players, please include first and last name to the score sheet. It is the Captain's responsibility to make sure their team roster is current and accurate. Please Print clearly.**

**1.48 NON-PLAYER INTERFERENCE** - If balls are moved because of the action of a non-player or other influence beyond the control of the players, the opposing player, in regular league play, or a referee, in a play-off match, will restore the balls as nearly as possible to their original positions and play continues. If by player agreement, in regular league play, or by the referee, in a play-off match, it is judged that the balls cannot be restored, the game will be replayed with the player who broke the game breaking again.

**1.29 BALLS JUMPED OFF THE TABLE** - Balls coming to rest other than on the bed of the table after a stroke (on the cushion top, rail surface, floor, etc.) are considered jumped balls. This is a foul and loss of turn. Balls may bounce on the cushion tops and rails of the table in play without being considered jumped balls if they return to the bed of the table under their own power and without touching anything not part of the table. Jumped balls and illegally pocketed balls are not returned to the table (see rule 2.7.2 Continuing Play). It is a loss of game if the 8-ball is jumped from the table.

**8.1 CLEMENS CAPTAINS CLASSIC** - Open to each team captain, or in their absence a co-captain, who is present for the Captains meeting. This tournament, which traditionally follows the Mid-season Captains meeting, is a single game, double elimination tournament with placement in the bracket done by random draw following the placement of any necessary byes. Trophies awarded to the top 3.

**1.11 ROTATION OF BREAKS AND PLAYERS** - The break will rotate in accordance with the score sheet which provides 2 opportunities to break and 2 opportunities to rack per player position, per match. (Numbers/letters highlighted in black denote who is to break) Player rotation on the score sheet will be followed precisely so that each player position will play each player position on the opposing team once.

**1.11.1** – An error in the break order must be challenged, prior to the break shot of that game. Otherwise the results of that game will stand.

**1.11.2** – Games played out of order shall be counted as played when the game comes up on the score sheet.
