79TH SEASON August 09, 2017—Week 6

WCC Tournaments

As we come up to our half-way point for the Match Play season, players should note their number of games played to be on target for eligibility to play in the WCC tournaments. For any WCC tournament, a player must have played at least 50% of all possible match games. This means that Divisions A and C players need 24 or more games to qualify. Division B players will need 28 or more games qualify. Division D players will need 30 or more games to qualify. The 4 WCC tournaments are Rising Star, Women’s Open, Open Individuals and Tops & Bottoms. All WCC tournaments have a \$10 entry fee. Check your status with your Captain if you plan to participate.

Housekeeping Item

Hey captains, co captains and players! Just a housekeeping item that we need your help on:

Score sheets

When completing score sheets, we need all areas completed. We need the date, the division and the home & away team. Please use the 3 letters and 1 number that your team was given. Example FLK-1. We also need **FIRST AND LAST NAME!** If providing additions and drops to a team, we need to know what team you want this is for.

Captains Log

Captains Meeting Announcement

Our Captains meeting is scheduled for 09/11/2017 at 6pm at PBB. Registration for the Clemens Captains Classic tournament opens at 5:30pm with meeting scheduled to start at 6pm. The Clemens tournament will start after the meeting. PBB is located at 5610 Kearny Mesa, #E. Any team player may represent their Captain for the meeting, but NOT the tournament.

Bylaw 8.1 CLEMENS CAPTAINS CLASSIC – Open to each team captain, or in their absence a co-captain, who is present for the Captains meeting. This tournament, which traditionally follows the Mid-Season Captains meeting, is a single game, double elimination tournament with placement in the bracket done by random draw following the placement of any necessary BYES. Trophies awarded to the top 3.

Rules of Play 2.8 SAFETY PLAY / NO CALL / NO POCKET - Prior to any shot except the break you may declare a safety. On a safety, your inning ends after the shot regardless of whether or not you pocket any ball, including an obvious ball or a called ball. You must declare the safety to your opponent before the shot, and they must acknowledge your intentions. If you do not declare a safety or it is not acknowledged, and you pocket an obvious ball or a called ball, your inning continues and you must shoot again. Balls pocketed on a safety are illegally pocketed balls. Safety shots must meet the requirements of a legal shot.

Bylaw 5.3 CAPTAIN'S MEETINGS - Without exception, attendance is mandatory for each team captain or their designated representative. Only team captains or their designated representative are eligible to vote. All business affecting SDPL Bylaws, Match Policy, Rules and elections are voted upon at these meetings. Meetings are open to all members of the SDPL and notice of such meetings shall be made available at the start of each season.
