Captains Log

Rule of Play 1.17 Calling Ball and Pocket

- 1. You must designate the called ball and the called pocket before each shot. The designation may be made verbally or by gesture. You do not have to call obvious shots. You do not need to indicate incidental kisses and caroms, or incidental cushion contacts that do not constitute bank shots or kick shots.**
- 2. If you are not certain what shot your opponent is attempting, it is your responsibility to ask. You must ask before your opponent is down on the shot. With the exception of bank, kick, or combination shots, if you are not certain about a shot and you do not ask, the shot will be considered obvious.**
- 3. Regardless of whether or not your opponent asks, and regardless of how simple or obvious a shot may appear to you, bank shots, kick shots, and combination shots are defined as being not obvious and must always be called.**
- 4. When calling bank shots, kick shots and combination shots you only have to designate the called ball and called pocket. If shooting a combination, you do not have to say the word "combination" or state which ball will be struck first or the sequence of balls. When shooting a bank shot or kick shot you do not have to say the word "bank" or "kick" nor specify which cushions will be involved in the shot.**
- 5. If you do not call a bank shot, kick shot, or combination shot and you pocket any ball on that shot, your inning ends and incoming player must accept the table in position.**
- 6. If a shot that was obvious prior to the stroke inadvertently becomes a bank shot because the ball did not go directly into the called pocket but instead contacted two or more cushions prior to being pocketed in the called pocket, the shot is scored for the shooter and the inning continues.**

MP&P 1.13 SUBSTITUTION OF PLAYERS - No more than 3 player substitutions may be made per match, per team. If a player substitution is made, the substituting player must play the remainder of the match in that player position. The outgoing player may not be a substitute for someone else on the same team. Substitution of a player is not permitted during a game in progress.

Rules of Play 1.7 BEGINNING OF GAME OR MATCH - Your match or game begins when the cue tip strikes the cue ball during any stroke on the opening break.
