80TH SEASON

January 31, 2018 Week 3

80th Season Return

Welcome Back to a new season. This season has started out a little rocky but we are back on track and we apologize for the tardiness of the schedule, stats, and table talk.

Board Elections and Open Seat

This season we have Vice President, Secretary and Statistician up for election. We also have at the moment Community Relations position open for whomever is interested please contact one of the board members. If you or anyone on the league wishes to be a part of what makes this league run, please use your score sheet and in the comments area write the position and nominee's name within the first 4 weeks of matches.

Team Changes

JT's team has relocated to Alibi so from now on JTS-1 will be ALI-1. Also Captains and Co-Captains please check your rosters and drop any extra players who are not on your team any longer.

Bylaw 4.3 NOMINATIONS

During the first four weeks of a team's scheduled play, members interested in running for a Board position shall indicate so on their Monday night score sheet. All members have the option to present information to the statistician in regards to their qualifications and/or reasons for seeking a Board position. The information will then be passed on to membership via Table Talk with a maximum of seventy-five words. All nominations of league members will be confirmed by the Board prior to the ballot phase.
